Death of W. L. Steakley.

Mr. Wm. L. Steakley, Sr., died at his home in the 5th district of White county, Tuesday night, Feb. 17th, of pneumonia, superinduced by la grippe. Mr. Steakley was well known all over this county, having been sheriff of the county for four years. The sudden announcement of his death was a shock to his many friends. He moved from the vicinity of McMinnville to White county some four or five years ago, and there, as here, had made farming a success. He was a useful man in any community, and his death is much deplored.

Our Voting Population.

The enumerators have returned their lists to County Court Clerk Hammer from eleven districts in the county, as follows: 1st, 805; 4th, 124; 5th, 130; 6th, 140; 7th, 120; 8th, 259; 9th, 305; 10th, 179; 11th, 195; 12th, 125; 13th, 251; or a total of 2583 for the eleven districts. It is evident that the enumerators in several of the districts given have done their work in a very careless manner, as the enumeration in two or three of them as shown above is less than the vote polled last November. It will require a close and full enumeration of the remaining four districts to bring the total up to 3000. The enumeration ten years ago was 3015 for the county. The 1st district shows a gain of 111 in the ten years. The enumerators in several of the districts should be required to add the omissions to their lists, as otherwise Warren county may lose her representative in the Legislature, and be tacked on to some other county in a floterial district.

WHY ARE SOME PEOPLE ALWAYS LATE?

They never look ahead nor think. If it is Flower or Vegetable Seeds, Plants, Bulbs, or anything in this line, **MAKE NO MISTAKE** this year, but send 10 cents for **Vick's Floral Guide**, deduct the 10 cents from first order, it costs nothing. This pioneer catalogue contains three colored plates, **Grandest Novelties** ever offered, 5000 cash premiums to those sending cash orders. Five cash prizes at one of the State Fairs. Grand office, chance to win. **Books in the new 20c. from every order.** 100 pages 8 1/2 x 10 1/2 inches. **JAMES VICK, SEEDSMAN, Rochester, N. Y.**
